13th September 2024

Dear Parents / Carers,

Year 5 – School visit from Explorer Dome – Thursday 7th November 2024

I am excited to advise you that your Year 5 child will have the opportunity to experience a unique visit from 'Explorer Dome' which is an internationally known, vibrant and popular science outreach organisation that travels across the UK and beyond with interactive, curiosity-based, science shows for schools and special community events.

The booked experience is a presenter-led lively and interactive demonstration with stunning visuals to support your child's scientific understanding of space.

Within the morning session, Year 5 will explore our planet, moon, sun and solar system, see how they move and what we see in the sky. Then go star-spotting to discover the constellations as they will appear tonight and discover the stories behind them through the gods and heroes, myths and monsters from Ancient Greece.

The cost of this experience is £12.25 per child; please visit www.SCOpay.com to make payment. Please note the closing date for booking your child's space is Monday 4th November 2024.

Yours sincerely,

Declan Curry
Deputy Head Teacher
