

World Book Day

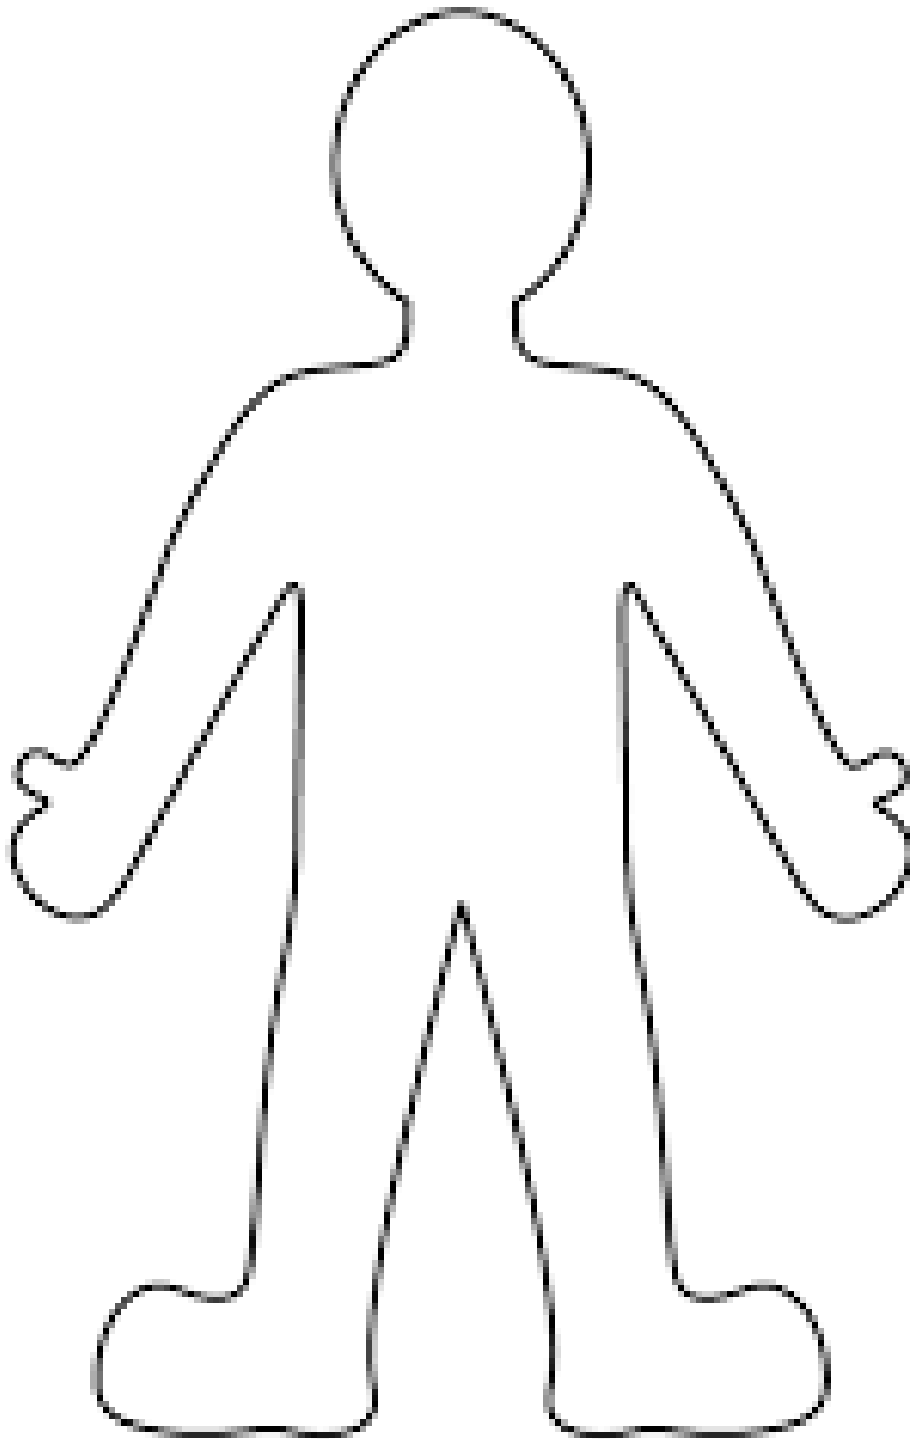

We are investigating what is living under the rug! Is it Gill the squirrel?

Can you complete a 'role on the wall' for how the man may be feeling in the picture?

Remember:

- Outside – physical appearance e.g. sweating,
- Inside – feelings, thoughts e.g. Ahhhh – what is it?

Your task is to write a short narrative that fits the picture.

You can use the plan below to support you.

Paragraph 1 – Man sitting in the room. Describe the room. What is the man doing? How is he feeling?

Paragraph 2- The man notices a thing under the rug. Describe the shape/ placement/ sense of the unknown/ create suspense.

Paragraph 3- How does he react? What does he do? What might he say aloud?

Paragraph 4- A new character enters. Who will they be? How will they react? Have a conversation between the two characters.

Paragraph 5- cliff hanger/ lights go out... What be heard?
