

Year 2 Home Learning

Task to be completed over this half term	Suggested Timetable:		Maths It is very important that we master solving problems using the following operations: Addition, subtraction, multiplication and division. + - x ÷ Use our guidance on the website that demonstrates workings that we use in school. (e.g. numberlines, dienes) You can also use TTR to rehearse the timetables that you are learning. 	Reading *Continue to read at least 3 times a week . Try to read both fiction and non-fiction texts. *Focus on your fluency – how many words can you read without having to sound them out? Use Oxford Reading Buddy to login and read books at your child's reading level. You will also find comprehension questions to answer about the text. (Logins will be sent home with all children)  Your teacher recommends and will be reading a range of stories focusing on our reading theme of 'Lost and Found / Courage' 	A creative family project Submission date: 24.10.24 Design the perfect beach  What makes the perfect beach? Does it need sand to make sandcastles, rock pools to explore, restaurants nearby for a tasty drink and snack? Create your perfect beach by designing a 3D model, painting, collaging or simply drawing a picture – it's up to you! Be as creative as you like 😊
